

Sir/Ma'am

The 68th Canadian Police Curling Championship is a week-long event that will be held April 6-13, 2025 in Treaty One Territory in Winnipeg, Manitoba. The competition mirrors the Tim Horton's Brier and Scotties Tournament of Hearts in that Police Officers from across the country compete in their provincial championships to qualify for one of twelve spots to represent their province in the national championships.

Recent changes to the Championships allow for Peace Officers to participate, which include Wildlife, Border Services, Federal Fisheries, and Corrections Canada in addition to Police Officers. The Canadian Police Curling Championship has been held in consecutive years since 1956 (with the exception of the pandemic years) and is the 3rd oldest national curling championship in Canada!

As the Canadian Police Curling Association (CPCA) is non-profit, we have to raise funds through sponsorship to fund the event. And equally important, each host committee is able to make a substantial donation to our national charity of choice: Tourette Canada. Tourette syndrome is a neurological disorder characterized by tics: involuntary, rapid, sudden movements or vocalizations that occur repeatedly in the same way. Money raised through sponsorship and the championship itself will help Tourette Canada (TC) provide the many services they offer to those who are afflicted by the condition across the nation. Over the years the CPCA, along with each provincial association, has raised over \$400 000 toward the TC and other charities.

A silent auction will take place at the 2025 CPCA Championships, the proceeds of which will go to the charity of choice for the Manitoba Police Curling Association: The Dream Factory! The Dream Factory's mission is to make dreams come true for kids in Manitoba battling life-threatening illnesses. They exist to be a source of joy, laughter and hope for kids and families in our province going through an incredibly difficult experience.

Please review the attached sponsorship package and let us know if you have interest in becoming a sponsor for this prestigious event and worthy charities. Your attention and support would be truly appreciated.
